March 8, 2021

Dear Valued Kingspan Customer,

Due to the serious market fluctuations of pricing and availability of raw materials, Kingspan Insulation will increase prices on the following products:

GreenGuard® Building Wraps - 8%
GreenGuard® Seam Tapes - 8%
GreenGuard® Flashing (Butyl, Professional & Asphalt) - 8%
GreenGuard® Attic Rafter Vents - 8%

The increase applies to all orders received on or after April 5, 2021. Orders placed before this date must be placed for immediate shipment. Kingspan Insulation reserves the right to limit orders (i.e., shipment on orders at current pricing) to the extent that they do not exceed two weeks of normal buying quantities. Your Kingspan sales representative will contact you shortly to communicate the new prices and review any pending jobs.

Thank you for your continued support of Kingspan Insulation products. Please contact your Kingspan Insulation sales representative if you have any further questions.

Sincerely,

Kevin Cutler
