

DESCRIPTION

VI-N6103 is a 9.0 mils very conformable and low cost, tough waterproof tape with a permanently tacky adhesive that bonds well to most surfaces, over a wide range of temperatures. Its low temperature bond is excellent and tear characteristics are good. This product is designed as a low cost alternative to cloth duct tapes.

APPLICATIONS

- Polyethylene splicing
- Surface protection
- General replacement for most applications where a low thread count, polyethylene coated, cloth tape is being used
- General industrial making, bundling, splicing and repair applications
- All purpose waterproof sealing applications

FEATURES

- Low residue aggressive adhesive allowing material to be repositioned
- Bonds well to most surfaces over a wide temperature range
- Good conformability for application to rough or irregular surfaces
- Provides water tight seal and humidity resistance
