

Product Specification Sheet

Product Number: **ON3990-96**

October 26, 2011

Color	Natural	Resin	Polypropylene
--------------	---------	--------------	---------------

Weight	3.25 lbs / 1000 ft ² +- .35	Nominal % Open Area	not defined
---------------	----------------------------------------	----------------------------	-------------

Nominal Hole Size		I.D.	not applicable
--------------------------	--	-------------	----------------

TD Strand Count	50 strands per 10" +- 2.5	O.D.	not applicable
------------------------	---------------------------	-------------	----------------

MD Strand Count	54.8 strands per 10" +- 9	Wall thickness	not applicable
------------------------	---------------------------	-----------------------	----------------

Joint Thickness	not defined	Tube Bow	not applicable
------------------------	-------------	-----------------	----------------

MD Strand Thickness	not defined	Strand Slant	not applicable
----------------------------	-------------	---------------------	----------------

TD Strand Thickness	not defined	MD Strands	not applicable
----------------------------	-------------	-------------------	----------------

MD Strand Width not defined

TD Strands/Inch not applicable

TD Strand Width not defined

Roundness not applicable

MD Breakload 26 lbs / 3" +- 6

TD Breakload 26 lbs / 3" +- 6

NA = Not Applicable

ND = Not Defined
