Purchase Orders

Provide exact street address (including building #, Lot #, etc. no P.O. Boxes).

Provide Key Contact and Delivery Contact for each order with the following information:

- Name
- Phone #
- E-mail Address

Order IDs are listed in this GreenGuard® Purchasing Guide for use on POs.

All Materials should be ordered in pallet quantities (pallets cannot be broken down), with the exception of Tape / Flashing as these are shipped out in cases.

Correct Unit of Measurement is as follows:

- Insulation Board - MSF or BDFT
- Building Wrap - Rolls
- Fanfold - Squares
  - Q Series product - Bundles
- Tape - Cases

Shipping requirements - Specify if there is a need for:
- Special truck requirement due to the type of dock i.e. cannot take a step deck truck, please ship order via standard flatbed truck.
- Tarping of goods in transit.
- If there are specific receiving hours at the delivery location, please identify them on the PO.

Carrier Transport from the Kingspan Winchester, VA Plant

Full Truck Load - Ships within 5 business days upon receipt of order confirmation.

Less than a Truck Load - Ships within 10 business days upon receipt of order confirmation.

All orders must meet a minimum order requirement of $6,000.

All orders containing only GreenGuard® Seam Tape and Flashing will have a minimum order requirement of $2,500.

- Any order below this minimum order requirement will incur a freight charge of $20.00 per box.
- If the GreenGuard® Seam Tape and Flashing is ordered as part of a mixed load containing other GreenGuard® products, including Building Wrap, XPS, Underlayment, Sheathing, Roofing Cover Board or Drainage Mat, the minimum order standards will apply and the $20 charge per box would not be applicable.

All Zone 2 orders must meet a minimum order requirement of a full truck load with the exception of Custom Print, Tape / Flashing. Specific minimum order quantity for each product can be found at the bottom of Pages 7-17 in this GreenGuard® Purchasing Guide.

A $100.00 drop charge applies to any order less than a truckload with the exception of orders containing only Tape / Flashing as these ship via UPS.

- Drop charge is incurred for every stop a truck driver has to make.

Jobsite Deliveries

- Provide the exact shipping address.
- Provide primary and secondary Job Site Contact - Name, Phone #, truck arrival time.
- Note any special requirements - i.e. driver is required to report to guard shack for check-in.

Freight Surcharge
- There is a $200 per truckload freight surcharge on all new orders with prepaid freight terms.
- Less than truckload orders will have the standard drop charge and will be charged a $100 freight surcharge.
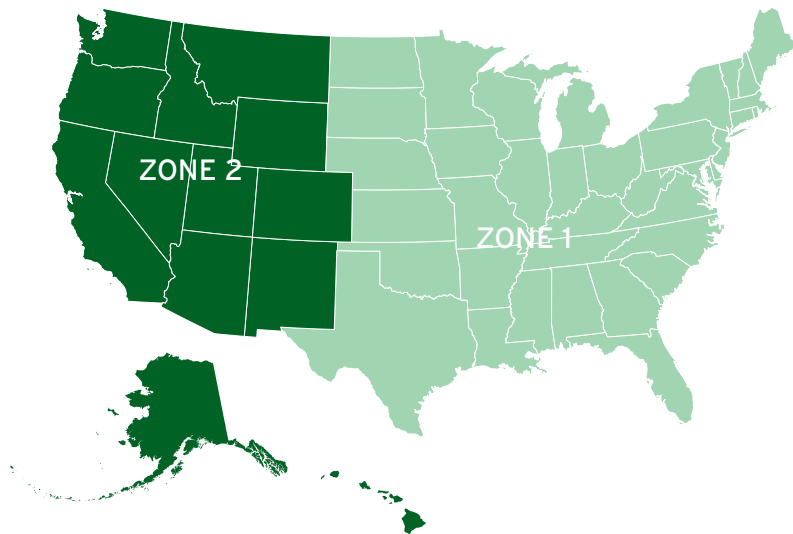

Customer Pick Up (CPU) Orders
- A CPU number will be assigned and provided when the material is ready for collection.
- Please clearly note on PO and within e-mail submittal that the order is for Customer Pick Up (CPU).
- Pick up allowances - for applicable products, $50 per pallet up to $250 total. Kingspan will not permit pick up without the pick up number.
