

FOAMULAR®

Energy-Saving, Moisture-Resistant XPS Insulation

Extruded Polystyrene (XPS) Foam Insulation

Ideal for many residential and commercial construction applications, including: wall furring, perimeter/foundation, cavity wall, pre-cast concrete, under slab, crawl spaces, sheathing and other applications*

Features of FOAMULAR® Insulation:

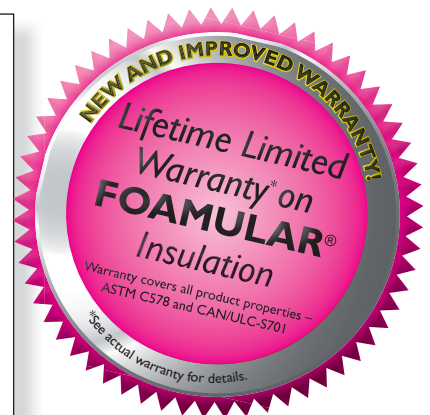

- Only XPS that is GREENGUARD Indoor Air Quality Certified® and even more stringent GREENGUARD Children & Schools CertifiedSM
- Only XPS with a third party, independently certified, minimum 20% recycle content by SCS® (Scientific Certification Systems)
- Zero ozone depletion formula
- 70% less global warming potential than our old formula

PLUS, a Lifetime Limited Warranty* is now available for FOAMULAR® Insulation – to maintain at least 90% of its R-Value** for the lifetime of the product!**

Length of Warranty Time	Lifetime of product	50 years (1.5" and thicker) 30 years (1") 15 years (1/2" & 3/4")	20 years	15 years
Who is Covered	Original purchaser or first transferee	Building owner	Initial building owner	Undefined
Countries Covered	U.S. and Canada	U.S. only	Undefined	Undefined
Resolution	Equivalent product to replace or original purchase price	Equivalent product to replace or original purchase price	Equivalent product to replace or original purchase price	Original product cost

*Not for use in roofing. For roofing applications, use FOAMULAR® THERMAPINK® Extruded Polystyrene Insulation.
**R-value means resistance to heat flow. The higher the R-value the greater the insulating power.
***See actual warranty for complete details, limitations and requirements.

Scientific Certification Systems (SCS) provides independent verification of recycled content in building materials and verifies recycled content claims made by manufacturers. For more information, visit www.scs-certified.com. The GREENGUARD INDOOR AIR QUALITY CERTIFIED Mark is a registered certification mark used under license through the GREENGUARD Environmental Institute. Trademarks are the property of their respective owners.
