

MANUFACTURER'S CERTIFICATION STATEMENT

PREMIUM SPRAY PRODUCTS CERTIFICATION

Premium Spray Products, An Accella Brand, has verified that the following spray polyurethane foam insulation products are eligible building product components, when properly installed, and qualify for Federal Tax Credit as described in the following policies:

**Section 25C of the Energy Policy Act of 2005 • Emergency Economic Stabilization Act of 2008
 American Recovery and Reinvestment Tax Act of 2009 • Residential Energy Efficiency Tax Credit of 2011
 American Taxpayer Relief Act of 2012**

QUALIFIED PRODUCTS FOAMSULATE SPRAY POLYURETHANE FOAM INSULATION

Foamsulate 50 • Foamsulate 50 NIB • Foamsulate 210 • Foamsulate 220

It is the responsibility of the individual seeking the tax credit to obtain the breakdown of the component costs from the installer of this insulation system. Save your receipt and this Manufacturer's Certification Statement.

It is the responsibility of the Homeowner to consult with their tax advisor for the proper and accurate filing of any Federal Income Tax credit. There are maximum lifetime limits that exist for energy improvements.
